# Junior Colts Cricket

We are part of BA Clubs and are based at the Concorde Club in Cranford, Hounslow opposite to Cranford Community Collage. Membership to the Colts Cricket is open to all (Girls and Boys) aged 9 to 17.

## Facilities/Benefits

The Concorde Club is very proud to boast excellent Cricketing facilities. The facilities are arguably second to none in our League and local area. We also provide minibus transportation for away matches at minimal cost.

## Competitive Cricket

We currently run three teams in the Middlesex Colts Association League, U13, U15 and U17. We also arrange friendly matches against other teams in the U15, U17 age groups. We also take great interest in monitoring the development of our juniors and providing them the opportunity to play for our senior teams.
